

FOR IMMEDIATE RELEASE:

Emerging author Vern Jonesel publishes a collection of melodramatic stories.

ORLANDO - July 31, 2018 - Vern Jonesel has just published DEATH NOTE AND OTHER STORIES on Smashwords.com. It is being sold for \$6.99. DEATH NOTE AND OTHER STORIES consists of two flash fiction stories and a haiku.

The first story “Crazy Mother-In-Law” is a look through a daughter-in-law’s eyes on the day of her baby announcement. She has regular family issues with her husband’s mother until she feels like she’s staring into the eyes of the devil. Her mother-in-law goes on a tangent that no one in their family sees coming.

“Haunted Truck” tells the story of an 18-year-old man who is gifted a used old truck from his father. The truck scares the living daylight out of him so much that it makes him realize that he isn’t ready for adulthood like he thought. The truck does things that regular cars aren’t supposed to do.

“Death Note” is a haiku describing the thoughts before suicide. Though short, it speaks volumes with the emotions shown in a few lines.

Vern Jonesel is a novelist of Erotica, Romance, and Meta Fiction. Jonesel is currently earning her Bachelor of Fine Arts Degree at Full Sail University. She is a wife, a mother of two. In her spare-time, Jonesel likes to binge-watch Dragon Ball Z with her family and write short stories and scripts.
